

Housing Reconstruction Following Major Disasters -- A Handbook

Abhas Jha
The World Bank

Dialogue on Risk Reduction and Sustainable Recovery in Housing Sector
Stockholm Forum for Disaster Reduction and Recovery
October 23, 2007

Responding to the Need

- The Bank has an increasing portfolio for housing reconstruction,
- A need exists for improved assessment, better design and more effective delivery of housing following catastrophic disasters.
- To this end, the Global Facility for Disaster Reduction and Recovery (GFDRR) is developing a *Handbook on Housing Reconstruction Following Disasters*.

Identifying the Users

- Users: Bank Staff (primary)
- Others could be [?]:
 - Ministry of Housing or the designated Government body/authority for reconstruction
 - Ministry of Finance
 - NGO's

● Structure and Content

- Practical toolkit-tasks
- Common problems encountered and how to solve them
- Sample bidding documents, RFPs
- Supporting infrastructure [?]
- Institutional structures

Request Feedback on...

- Global good practices in housing reconstruction
- Examples of good dissemination
- Balance between post and pre-disasters
- How to keep content current
