

# Gender-Based Violence (GBV) Prevention in Disaster Response

*Build skills to integrate GBV prevention into disaster preparedness and response*

Now available on the [RDRM Learning Hub](#)

## ABOUT THIS COURSE

This course provides an in-depth understanding of how to integrate Gender-Based Violence (GBV) prevention and response strategies into disaster preparedness and response plans. It highlights the heightened risks of GBV during disasters and the importance of coordinated, multisectoral approaches to address these risks effectively.

## WHAT YOU'LL LEARN

- Understand how disasters can increase the risk of GBV
- Learn key principles for GBV prevention and response in disaster contexts
- Explore practical measures that can be applied before, during, and after disasters
- Take practical steps to help create safer and more resilient communities

## HOW THE COURSE WORKS

Self-paced,  
online learning

Short, bite-  
sized modules

Practical  
examples and  
knowledge  
checks

**Free certificate**  
upon completion

## WHO SHOULD TAKE THIS COURSE

Development practitioners, emergency response professionals, policymakers, and others involved in disaster preparedness, response, protection, and social inclusion.
